

Lifetime of Learning

Lifetime of Learning will be starting a new 8 week session on January 17th, 2022

These classes are designed for those eighteen years and older who would like to continue their education after high school.

Registration will be January 3rd-7th

Reading and Math - Monday Evenings

(5:30pm– 7:00pm)

This class is a way for students to enhance their reading and math skills. The student's reading level will be assessed. They will be given age appropriate lessons to enhance their reading ability. The class will also cover everyday math lessons to help the students become more independent. This class is **FREE** for students.

Bowling - Monday Evenings

(5:30pm– 6:30pm)

This class will be held at Enterprise Park Lanes located at 1625 S. Enterprise Ave. It will cost **\$2** each week to help cover the cost of shoe rental and 1 game of bowling. Participants will need to meet at the bowling alley each week.

All Things Delicious! - Monday or Wednesday Evenings (5:00pm – 6:30pm)

This class will teach fundamental cooking skills and prepare the clients to make meals independently. There is a maximum of 8 participants in each class. It is **\$3** per participant each week to cover the cost of food. Each student will be able to eat the meal they cook that evening!

Mad Scientist - Wednesday Evening

(5:30pm– 6:30pm)

This is a class for students who like to learn about science. Each week will be a different science experiment. This class is **FREE** for students.
